

King's Hill Church: King's Hill will be reaching out to college students in Boston during "The Big Move", September 1. Pray that this mission effort will reach many for Christ.

Ecuador: Pray for Esteban Martinez and family as Esteban begins seminary training and as they prepare to be Ecuadorian missionaries and church planters. Esteban feels led to plant a church in Patate.

Cleveland: Pray for Michael Burns, director of Lakeside Terrace Community Center in Cleveland as he helps the kids in this inner city housing project to stay off of the streets and in school. Pray also for the children and families in this housing project.

Boston: Pray for Pastor Jonathan Mosely and his team as they share the love of Christ through "The Big Move". Pray for great weather for September 1 in Boston and for God to soften hearts to the Gospel.

Giving Emphasis: Please consider supporting Jackson Way Missions Giving on a regular basis. This provides resources for our mission efforts throughout the year.
